You can create task you wanna to do and mark it completed when you do it and you can also delete this task ,the app will send you notification that reminds you to complete your task

Home Screen

The home screen displays four cards arranged in a 2x2 grid. The top-left card shows a student profile with the text "Students Profile". The top-right card shows an employee profile with the text "Employees Profile". The bottom-left card shows a blue ID badge icon with a person icon and three horizontal lines. The bottom-right card shows a document with a pencil icon and the word "REGISTER". On the far right, a vertical sidebar lists various school-related categories: "Registration at School", "Education Levels", "Classes", "uniforms", "Buses", "Lines", "Jobs", and "Nationalities".
